

# Side Support, Coin Door Side

NOTES for Monitor glass....  
Material is cut out from the bottom  
side leaving only 1/8" of material  
(+ laminate) to hold the glass. Back  
frame (not drawn) is tacked in by  
nails using 1/4"x1/4" finishing  
materials

Pocket for metal control panel  
is recessed (cut) .1" from the top.
